

Zero Tolerance Drug and Alcohol Policy

To maintain a safe and supportive environment for all participants, we enforce a strict **Zero Tolerance Policy** regarding drugs and alcohol.

The possession, use, distribution, or being under the influence of illegal drugs, non-prescribed controlled substances, or alcohol is strictly prohibited on camp property or during any camp-sponsored activity, trip, or event.

This policy applies equally to all campers, **counselors, and staff members.**

Enforcement

- Any camper or counselor found to be in violation of this policy will be **immediately dismissed from camp** and sent home at their own or their guardian's expense.
- No warnings will be issued.
- Law enforcement may be contacted if required by local, state, or federal law.

Prescription Medications

All prescription medications must be disclosed during registration and submitted to the camp nurse or designated staff member for secure storage and administration. Unauthorized possession of any medication is considered a violation of this policy.

Parental Notification

In the case of a camper's dismissal, parents or guardians will be contacted immediately and must arrange for prompt transportation home.
